

Stort Daybreak—Layout of equipment & services

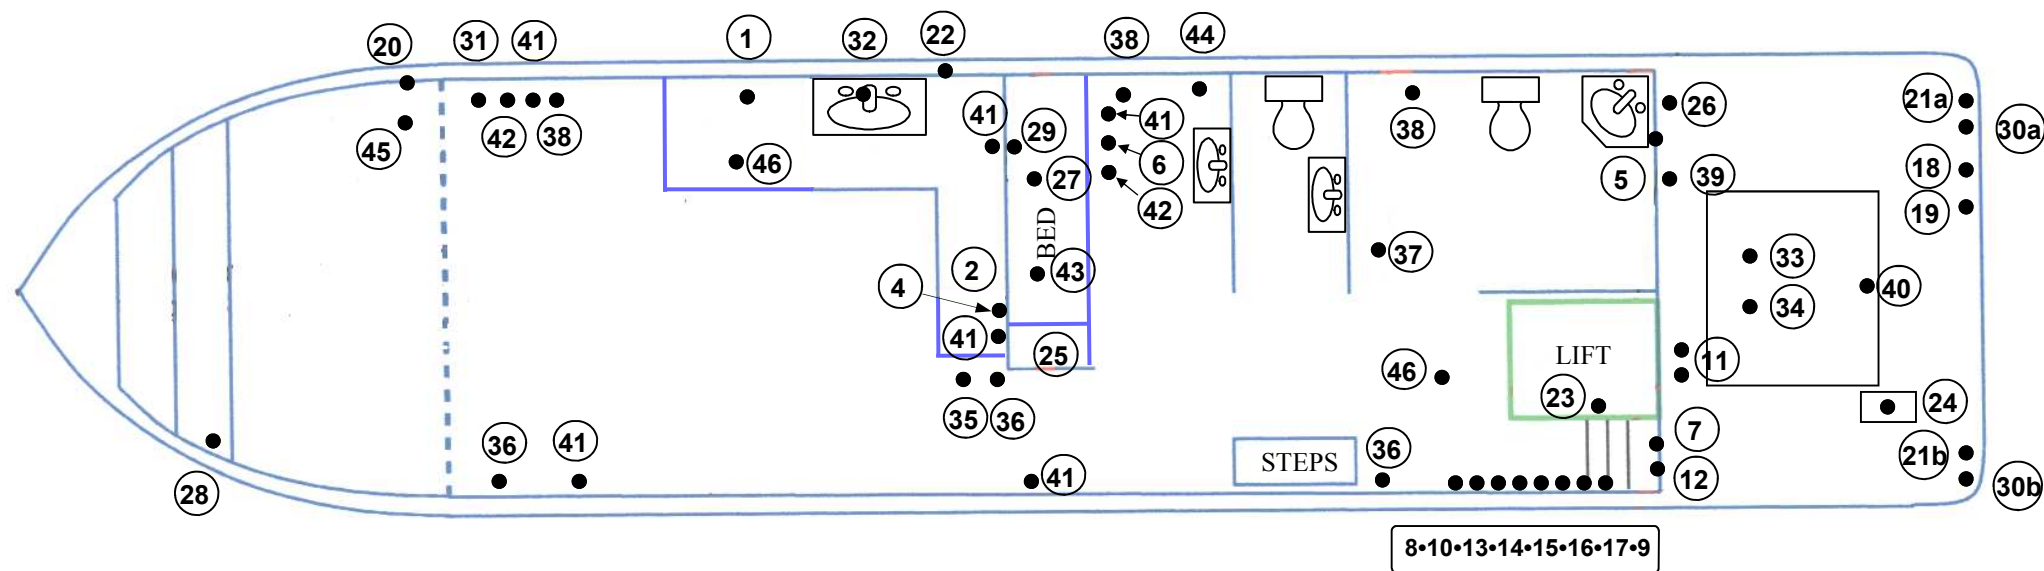

Listed in alphabetical order

42	12 volt socket	33	Engine dip stick	6	Immersion heater switch	25	Skippers cupboard for boat equipment, life jackets, cleaning box
5	Basin / Shower pump out	39	Engine instruments	2	Induction hob		
40	Bilge pump engine room	12	Engine isolator	17	Inverter / charger	46	Smoke Alarm
10	Boiler control & instructions	35	Fire Blanket	9	Inverter switch	8	Thermostat switch
18	Compressor (& emergency stop & reset)	36	Fire extinguishers	11	Inverters	28	Tunnel light socket
24	Console for: engine, lights, disability controls	31	Fresh water isolation valve	23	Lift controls	27	Tunnel light storage (under bunk)
21	Diesel fill (a) engine (b) Eberspacher boiler	29	Fresh water pump (under bunk)	14	Manual pump for lift	20	Water fill
44	Disability hoist batteries (under bunk)	1	Fridge switch on/off	41	Power sockets. 230V	32	Water filter
43	Disability Hoist straps (under bunk)	30	Fuel cut off (a) engine (b) boiler	22	Pump out point	45	Water tank gauge
38	Disability hoists (3)	15	Fuse & isolation panel 230 v	26	Shore line connector	19	Weed Hatch
7	Domestic isolator	16	Generator switch	37	Shower table controls		
34	Engine cooling water	4	Hob mains switch	13	Shower table shut off switch		

Stort Daybreak—Layout of equipment & services

Listed in numerical order

1	Fridge switch on/off	14	Manual pump for lift	25	Skippers cupboard for boat equipment, life jackets, cleaning box	35	Fire Blanket
2	Induction hob	15	Fuse & isolation panel 230 v			36	Fire extinguishers
4	Hob mains switch	16	Generator switch	26	Shore line connector	37	Shower table controls
5	Basin / Shower pump out	17	Inverter / charger	27	Tunnel light storage (under bunk)	38	Disability hoists (3)
6	Immersion heater switch	18	Compressor (& emergency stop & reset)	28	Tunnel light socket	39	Engine instruments
7	Domestic isolator	19	Weed Hatch	29	Fresh water pump (under bunk)	40	Bilge pump engine room
8	Thermostat switch	20	Water fill	30	Fuel cut off (a) engine (b) boiler	41	Power sockets. 230V
9	Inverter switch	21	Diesel fill (a) engine (b) Eberspacher boiler	31	Fresh water isolation valve	42	12 volt socket
10	Boiler control & instructions	22	Pump out point	32	Water filter	43	Disability Hoist straps (under bunk)
11	Inverters	23	Lift controls	33	Engine dip stick	44	Disability hoist batteries (under bunk)
12	Engine isolator	24	Console for: engine, lights, disability controls	34	Engine cooling water	45	Water tank gauge
13	Shower table shut off switch					46	Smoke Alarm
